**Household Income Information:**

To be eligible for a scholarship, your annual household income (**including income from all dependents living in your household and any child support**) must not exceed \$23,640 plus \$12,540 for each dependent – **including self**. i.e. A family of four = \$23,640 + \$50,160 = \$73,800. **A copy of page 1 of the Federal Income Tax Return (IRS Form 1040, 1040A, 1040EZ) for the year 2016 must be attached to this application including any tax returns filled by dependent children.** Any parent or guardian who claims the student as a dependent must submit a copy of their 1040. If you did not file a tax return for 2016 include a signed statement of monies received in 2016 and the number of dependents (including self {and spouse if applicable}) you supported during the 2016 year.

**Certification Signature:**

I certify that all of the above information is true and correct and the Federal Forms 1040 enclosed provide a true and accurate verification of my annual household income. I understand that the deliberate misrepresentation of the information may result in the scholarship being denied or terminated. I understand that the scholarship payments will continue for the complete 2017-2018 school year only as long as my child is enrolled at a qualified school. Once a scholarship is issued for a student, the scholarship will follow the student, in the event the student transfers to another qualifying school during the current school year. In the event the student transfers to a non-qualifying school, any unused portion of the scholarship award will be retained by ASF for other scholarships. Further, I understand that the scholarships are awarded according to the prioritized selection of the qualified applicants, as per the guidelines established by the Commonwealth of VA and by Anabaptist Scholarship Foundation of Virginia, and that the scholarships given are the sole responsibility of ASF and the school. All decisions are final.
